DATA DISK D (ADULT LEVEL)
APPLE VERSION

Thank you for ordering Data Disk D.

The first twenty articles on the Data Disk, whose titles are prefaced with EM, are designed for use with the Eye Movement and Column Reading Lessons.

The last fifteen passages, whose titles begin with SR, are designed for use with the Reading Passage Lesson and Timed Reading Test.

To use Data Disk D with your Speed Reader II Program Disk, follow these steps.

- Boot your Speed Reader II Program Disk as described on page 4 of your Speed Reader II Manual.
- When you are asked "Original or New data disk (O/N)," type N.
- Select an activity from the main menu.
- When you are asked to insert the data disk, insert Data Disk D.
- Press space bar.
- The titles of the articles and passages will be listed on the screen.
- When you are asked "File to load?" type in the title and press RETURN. For example, EM TREASURE HUNT (if you wish to use the Eye Movement or Column Reading Lessons) or SR MATA HARI (if you wish to use the Reading Passage Lesson or Timed Reading Test.)
- Follow the directions on the screen for selecting speed.
- Refer to the manual for the most effective way to use each exercise.
- Chart your progress on the additional Personal Record Sheets which were provided with your manual.

For extended media life— here's how to take care of your flexible disk

Precision surface.
No fingers, please!

For your disk's sake
(and the system's, too)
insert disk carefully.

Magnetic fields erase.
Keep them far away.

Keep it safe-
in the envelope
when not in use.

Bending and folding
may damage.
Handle with care.

Keep disks comfortable.
Store at: 10° to 52° C.
50° to 125° F.
